## Booking & Rate Overview

La Belle Hélène offers two primary ways to host your wedding:

1. **Venue-Only Hire** – for couples who wish to use the estate for their ceremony and/or reception without overnight accommodation.
2. **Full Estate Rental** – includes exclusive use of the estate plus accommodation for up to 20 guests across 10 ensuite bedrooms, with full-board service provided by our private chef and hospitality team.

All weddings are fully bespoke and coordinated by your chosen wedding planner.

We work closely with our **exclusive partner, Au Sigwé Productions**, who manage the majority of weddings at the estate and offer a seamless, stress-free planning experience backed by deep local expertise. If you prefer, you're also welcome to work with your own accredited planner.

### Additional Information:

- For groups larger than 20, we can assist with **overflow accommodation** at **nearby villas, Sugar Beach Resort** (next door), or even **private yachts** anchored just offshore.
- All **catering, bar service, florals, entertainment, and styling** for the wedding must be arranged through your chosen planner.
- **Shorter-format ceremonies and elopements** are available on request and may be quoted individually.
- Rates are quoted in **USD**, based on your preferred dates, guest count, and event scope.

If you would like to begin discussions with Au Sigwé Productions, please kindly reply to our email and we will be happy to introduce you directly.
